WILSON'S ELECTION NOW PRACTICALLY CERTAIN

RECOUNT MAY BE HAD IN SEVERAL CLOSE STATES
DEMOCRATIC MAJORITY IN CONGRESS CUTCalifornia Count Comes in Slowly,
With Late Returns Favoring President Wilson

(By Associated Press.)
NEW YORK, Nov. 10.—Wilson's election as president of the United States was accomplished when California swung definitely into the Democratic column early today. The only states where the results remained in doubt were Minnesota, New Hampshire and New Mexico, with a total of 19 electoral votes. Unless there is a decided overturn in districts missing, Wilson will carry New Mexico, with Hughes leading in Minnesota. The result will not be known in New Hampshire until the official count is completed. West Virginia, which was classed as doubtful until late last night, has gone definitely for Hughes. Unless the vote in California is divided, which seems a possibility, Wilson is assured of 269 electoral votes, three more than a majority. Hughes will have 243. The president could lose three votes in California and still have enough to elect. This loss would be offset by New Mexico, which seems certain that he carried. If Hughes carried both Minnesota,

with twelve votes, and New Hampshire, with four, he would have only 259 votes, seven less than enough to elect. Wilson could lose New Mexico and three from California and still win. The result in Minnesota may be determined by the ballots of 2138 guardsmen on the border. They will not be counted until the state canvassing board meets Tuesday. Returns today in the state give Hughes a lead slightly exceeding one thousand. California complete, except for 36 precincts out of 5879, gave Wilson 465,669 and Hughes 462,538, a plurality of 3131 for the president. The tension in the most dramatic situation in the political history of the country was broken when the Associated Press flashed the news that Chairman Rowell of California conceded that state to Wilson. Frantic appeals to expedite the returns have been sent to the state leaders hour after hour from the national headquarters of both parties here. It has been apparent since Wednesday that California is the pivot whereon the election is swung.

LITTLE CHANCE TO REACH AGREEMENT

AMERICAN-MEXICAN JOINT COMMISSION WILL SHORTLY ADJOURN

(By Associated Press.)
ATLANTIC CITY, Nov. 10.—After a recess of a week, the Mexican-American joint commission resumed its sessions today, with the American members apparently determined to bring the conference to an early conclusion. The Mexican members appeared not less impatient for an adjustment, but a realization on both sides that Villa's activities in northern Mexico made it apparent that an agreement involving withdrawal of Pershing's troops is impossible.

NEW AMBASSADOR TO U. S. IS SELECTED

(By Associated Press.)
WASHINGTON, Nov. 10.—Secretary Lansing has announced that the Austrian government has named Count De Tarnow-Tarnowski ambassador to the United States. He has been accepted by this government.

POLITICAL TEMPER OF THE NEXT HOUSE

(By Associated Press.)
NEW YORK, Nov. 10.—With the result in five districts still doubtful, returns from congressional elections indicate that there will be 216 Democratic members of the house with 211 Republicans, giving a Democratic plurality of four. Two missing districts are nominally Democratic and three nominally Republican.

(By Associated Press.)
The reversal in Iowa, where completed returns showed George C. Scott, Republican, elected over Congressman Steel in the eleventh district and the election of Republicans in the second and third districts in West Virginia, brought about the present time. The senate remains unchanged, 54 Democrats and 42 Republicans.

LITTLE CHANCE TO CHANGE MAJORITY

ONLY THIRTY-SIX PRECINCTS IN CALIFORNIA YET TO HEAR FROM

(By Associated Press.)
SAN FRANCISCO, Nov. 10.—With California's determining the presidential vote conceded to Wilson, interest in the size of the presidents plurality has claimed attention for its bearing in case of a split in the electoral delegation, which has been predicted. Only thirty-four precincts remained to be heard from when Wilson lead was 3131. As the missing precincts are in sparsely settled counties, about evenly divided politically, it is believed that the present plurality will not be changed materially. Both party state chairmen looked for a split delegation, as happened four years ago. The official count, under the supervision of Secretary of State Jordan, will probably be begun Tuesday.

INTERESTING WILL OF MULTIMILLIONAIRE

(By Associated Press.)
CHICAGO, Nov. 10.—From the vaults of the Woolworth county court at Elkhorn, Wis., was brought to light yesterday the interesting will of James Hobart Moore, multimillionaire, who died July 17 at Lynn, Wis. The instrument, suppressed until yesterday, it is said, at the request of the widow, disposes of an estate of more than \$10,000,000. It was drawn in 1905.

Among the more interesting bequests are several for \$500 each. The recipients of these, named indiscriminately in the same paragraph, include Marshall Field, Sr., who died several years ago leaving an estate of \$100,000,000; Benjamin L. Winchell, John the office boy in room 103, Empire building, New York; "Mary, maid to Helen F. Fargo, who when the will was drawn was his prospective daughter in law, and three servants of his private car Thais. Mr. Moore, with his brother, organized the Diamond Match company, and they were active in the formation of the United States Steel corporation.

CHIHUAHUA CITY BEING EVACUATED

(By Associated Press.)
EL PASO, Nov. 10.—A special train has arrived at Juarez with approximately six hundred Carranza troops. American officers believe this is the beginning of the evacuation of Chihuahua City by General Trevino. General Gonzales, commandant at Juarez, denies this.

PLURALITY OF HUGHES IN MINNESOTA LESS

(By Associated Press.)
ST. PAUL, Minn., Nov. 10.—With about fifty precincts missing, Hughes' plurality in Minnesota at noon was 752, but Wheaton, chairman of the Democratic committee, still insisted "We feel sure that Minnesota is for Wilson."

LEAD OF HUGHES IN INDIANA DECREASES

(By Associated Press.)
INDIANAPOLIS, Nov. 10.—As more complete and revised returns came in, Charles E. Hughes' lead grew less than first reported in Indiana. With 172 precincts out of 3143 in the state missing, Wilson had 317,955 and Hughes 323,125. Hughes' plurality was 6071.

For governor, 2096 precincts gave Adair, Democrat, 304,296; Goodrich, Republican, 317,190.

HOW NORTH DAKOTA VOTED

CALIFORNIA SEEMS TO BE NOW SAFELY DEMOCRATIC

Possibility, However, that the Electoral Vote Will Be Split, as Once Before

(By Associated Press.)
SAN FRANCISCO, Nov. 10.—Returns last night gave President Wilson a plurality in California of 3112 over Hughes. O. K. Cushing, chairman of the Democratic state central committee, claimed the state for Wilson by 3100. Chester H. Rowell, chairman of the Republican state central committee, declared the returns showed a result to be determined only by a recount, and said that no definite prediction could be made.

Returns from 5805 of 5870 precincts give Hughes 461,385; Wilson, 464,497. The missing precincts are from counties about evenly divided politically. The state complete may not be counted for 24 hours. It seems very likely that the official count will be required to determine the result. Frank J. Jordan, secretary of state, predicted late yesterday that the electoral vote would be split, as was that four years ago in this state. He said an official count under his supervision probably would start next Thursday.

Registrar Harry Zemanaky of San Francisco county expressed doubt that the electoral vote would be split. He based his position on the fact that in San Francisco there was little of

TUMULTY SENDS HIS "BLESSING" TO WILSON

(By Associated Press.)
ASHBURY PARK, Nov. 10.—Secretary Tumulty wired formal notification to the president of his re-election. The message was wirelessly to the president on board the Mayflower. It was as follows:

"I am here surrounded by the loyal Democrats of old Monmouth and beg leave to send you our blessing and congratulations. The cause you have so nobly represented has at last triumphed and we greet you. Our hearts, our thoughts and our affections go to you."

SHOUT GOES UP IN EXECUTIVE OFFICE

(By Associated Press.)
ASHBURY PARK, N. J., Nov. 10.—Secretary Tumulty waited for the flash from the Associated Press that President Wilson had carried California. When it came a shout of joy went up inside the executive offices, and Secretary Tumulty, who had told the president he would not congratulate him until the definite news was known, sent a wireless message to the Mayflower giving his congratulations.

NO CONGRATULATIONS YET

(By Associated Press.)
